

Take Me Away

Words and Music by David LeDoux

Verse 1

You move me like no one
I believe in your son
I cry out for your help
For the season time will tell

Pre-Chorus

I fall down on my knees
And wait for you King of Kings

Chorus

Take me away with you

Far away with you

From where eagles fly

Take me away with you

Far away with you

Please don't pass me by

Verse 2

You've proven me all to wrong
I've been waiting all too long

I cry out for your hand
My faith like a grain of sand

Bridge

From where eagles fly...won't you take me away

From where eagles fly...won't you take me away
