

# Always There

Words and Music by Wayne Campbell

## Verse 1

You're greater than my thoughts, greater than my fears  
Though the storms of life may come, you silence the waves and the wind  
You're the Alpha and Omega, beginning and the end...  
No army comes against you, no weapon formed will stand

## Verse 2

In this journey of this life, I'm sometimes overwhelmed  
But you're always in control and you're always on the throne  
Through the power of your love in life's wayward journey  
I can face a new day's dawn - when I know you're always there for me

## Chorus

As I climb this mountain, as I walk this valley  
Your arms of peace and love - they embrace and they surround me  
You're always there for me  
You're always there for me  
You're always there for me
