

# SHINE

Words and Music by Eric Teitelman, Jenna Contestible,  
Wayne Campbell, David LeDoux, Jim Ford, Joseph Pippin, Stephen Fast

## Verse 1

You hear my cry, You hear my prayer  
You raise me up from my despair  
You call me out into Your place  
Where I feel Your warm embrace

## Pre-Chorus

You lift me up on high  
You take me to Your place  
In the sky

## Chorus

Where you shine, shine, shine, on Your child, Oh Lord  
Shine, shine, shine, on Your child, Oh Lord

## Verse 2

When I fall down, You pick me up  
You heal my scars and show me love  
You raise me up into Your sight  
And fill my soul with Your delight

## Bridge

You're everywhere around me  
You're with me where I go  
You constantly remind me  
That Your grace and mercy flow
